**At the time of this schedule going to print,
the following APHA rules apply to the Showfield:**

An Agricultural Show can be declared as 'Exempt from Requirements for Pre-Movement Testing' if the following conditions are adhered to:

(a) No cattle will be held on the showground for 24 hours or more from the time of arrival of the first cattle at the showground.

(b) No cattle are to be housed, i.e. in a covered area with sides – this includes marquees.

We are assured, however, that if the sides of the marquee are removed allowing free circulation of air then the exemption rules will apply.

We therefore intend to apply for exemption from Pre-Movement Testing for TB for all cattle attending the Show.

In order to comply with the 24 hour requirement we will not allow cattle on the Showfield until the morning of the Show, ie Saturday 19th August 2023.

It is worth stressing that no cattle are kept or grazed on the Showfield other than on Show Day.

Biosecurity measures must be strictly adhered to, i.e. clean vehicles, handlers' clothing and footwear.
