At the time of this schedule going to print, the following APHA rules apply to the Showfield

An Agricultural Show can be declared as 'Exempt from Requirements for Pre-Movement Testing' if the following conditions are adhered to:

- (a) No cattle will be held on the showground for 24 hours or more from the time of arrival of the first cattle at the showground.
- (b) No cattle are to be housed, i.e. in a covered area with sides – this includes marquees.

We are assured, however, that if the sides of the marquee are removed allowing free circulation of air, then the exemption rules will apply.

We therefore intend to apply for exemption from Pre-Movement Testing for TB for all cattle attending the show. In order to comply with the 24 hour requirement we will not allow cattle on the Showfield until the morning of the Show, ie Saturday 16th August 2025.

It is worth stressing that no cattle are kept or grazed on the Showfield other than on Show Day.

Biosecurity measures must be strictly adhered to, i.e. clean vehicles, handlers' clothing and footwear.

Animal Plant & Health Agency – telephone 0300 3031324

DEFRA ANIMAL GATHERING ORDER

Please remember the movement restrictions of Cattle and Sheep. Six-day movement restrictions apply to Gargrave Show. Farmers must watch the Press for all the ongoing changes in animal movement legislation.

BIOSECURITY ON THE SHOWFIELD

All livestock must leave home in a clean vehicle and if the livestock are returning home in the same vehicle. They DO NOT need to C&D the vehicle on the showfield, but MUST C&D the vehicle within 24 hours of returning home.

Hand washing and footbaths will be provided at the livestock entrances on the Showfield.

Please ensure all livestock handlers have clear outer garments and footwear when walking outside the livestock area on the Showfield.

LET US ALL KEEP CLEAN AND DISEASE FREE
